

# JUSTINE NJUGUNA

Self-taught website developer,  
Learning Alx Software Engineer and  
academic mentor.

## CAREER OBJECTIVES

Having an inbred passion for becoming a developer, I have spent hours sharpening my skills through available learning resources and hence grown strong ethics to pursue new companies to develop my skills while facilitating the empowerment of tech-savvy youth within my community.

## RELEVANT COURSES

### **FREECODECAMP - RESPONSIVE WEB DESIGN**

Freecodecamp.org | June 2022 - Current
